Announcements

- The **annual meeting** is next Sunday during the 9am Service. Next Sunday there will be only one service at 0900 and with a new year comes a new format; the Annual meeting will be held during the service followed by the Potluck Luncheon. Please signup online or in the Parish Hall., so we know what everyone is bringing to share.
- Dinah and Ron McCreery's new address is posted in the Parish Hall.
- There are just a few pre-assigned donation **envelope sets** that have not been picked up; they are on the table just inside the Parish Hall. There are plenty of blank ones for anyone who wants a set to help them track their donations thorough out the year. Just check with the office so I can assign a set to you.
- Now that the holidays are over please don't forget those in need; the Salvation army needs our non-perishable grocery donations. You can drop off donations in the food locker on the foyer. Thanks!
- January 30th at 6pm the Vestry will have another conference call with Canon Megan about the search committee and the search process.
- In March on the 11th St. Stephen's will experience a Day of Discovery. This has everything to do with finding out who we are and helping us find our new Pastor. More info will becoming soon!
- **Help Wanted:**
 1. Someone to temporarily take care of altar flowers on Feb 11th until Dottie returns from surgery. There will not be any flowers in church through Lent. Except! **March 11th**, the 4th Sunday of Lent, Rose Sunday. Please contact Dottie Gutwein at 515-0679.

2. Need 1 or 2 people willing to be in charge of changing the wording on the Church Sign out by the driveway. Please talk to Rev. Julie or Dottie G.

It seems the New Bulletin format was a big hit. Your comments and suggestions are heard and we are working to incorporate them. As to some questions:

- This is a trial period, if we decide to buy the service it will be \$200/yr
- The copyright to printing the songs is included in the subscription.
- It does take more time to do the bulletin, but then everything is there and so no time is spent on making a separate lectionary.
- This obviously will take more paper, but the effort is to make the service immediately meaningful/comfortable to a visitor or newbie.
- Using more paper means more work for the printer; we may need a new one sooner than expected or upgrade our printer
- Format tweaks, i.e. keeping songs on one page, will require purchase of a PDF editor.
