Family Camp for Families with Children and Youth of All Ages

Family Camp is an opportunity to unplug from the busyness of daily life and reconnect with your children and with the God who made you a family. It is challenging in this over-programmed, screen-filled culture to take the time out to be present to the people in our families. Chapel Rock is a place where screens are put away and there is space and time to listen to God and to each other. Look for more information about registration at <http://www.chapelrock.net/camps.htm>.
