Announcements

- Thanks to the hard work of both the Search Committee and the Vestry the Church Portfolio is on its way to the Diocese for posting. This should be the beginning of inquiries into the position of Rector. The next big step to be completed is the church profile. This will have greater detail about us and the local community. The goal is to have this posted on our own website by the end of June. In conjunction with the Profile, a tri-fold is to be completed that can be sent to prospective candidates. Keep those thoughts and prayers coming!
- Remember Episcopal 101 runs Wednesdays until July 18th (skipping July 4th) @ 6pm in the Education Center here at St. Stephens. The class will answer questions like : Do you know why the church changes colors and when? Why do we have women clergy but other denominations do not? And what is a memorial acclamation anyway? **Please sign up in the parish hall for the June 13th session.**
- **ECW - Pizza luncheon** is this Sunday or today at, **12:30 pm**. All those who have signed up please remember to come. Your selected meal has been ordered
- Men of St. Stephen's will be gathering on Sunday, June 10 at 12:30 at 2455 Willow Bark Lane in Sierra Vista to enjoy hot dogs and hamburgers and just good company. As the women will be gathering at a different location at the same time, men with offspring are welcome to bring them along.
- The Community outreach ministry is meeting Monday June 11 at 6pm here in the parish Hall. Sarah from Peaches Pantry will be talking about how we can serve our community. Please join us to learn how St. Stephens can direct outreach to help in our community. This workshop is open to the wide community so sign up online or call 520-452-4432.

Announcements continued

- **Saturday Jun 23 9 - noon** Fr. John Christopher is presenting a **Recovery Workshop**. Workshop topics will cover substance abuse education, spiritual consequences of addiction, open discussion and Q & A sessions. Recovery both spiritual and physical is Fr. John's main ministry as both the Director of Recovery Ministries for the state of Arizona and a board member of the Recovery Ministries of the Episcopal Church (RMEC). A statement that would define John's work with addiction and recovery would be, "anyone can recover if they base their recovery in a spiritual journey."
- Next week's Search committee meeting is cancelled; to be made up on the 24th at 3pm, because the Vestry Meeting has also been moved from the 17th to the 24th.
- "Summer time brings lots of extra 'getting in trouble' time for the kids; both CineMax and the Uptown have either free or very inexpensive kid friendly movies this summer, visit
