## Announcements

- **"Good news!"** The Diocese has finished vetting candidates for our new Rector and have sent the Search Committee a resume to evaluate. This is a critical time for the Search committee who have made a vow of confidentiality. They appreciate your respecting their privacy concerning the candidate and work set before them. After they have done their review they will make a recommendation to the Vestry. If the recommendation favors the candidate, the Vestry will make the final decision after a period of review and interview. Patience and respect is key. Thank you so much for your prayers during the past few months. They were felt as the committee worked diligently to understand the needs of our Parish. Now, your prayers are needed more than ever as they continue to find the right match for St. Stephen's. Again, please respect the process and keep your questions until later- soon it will all be revealed; we can't talk about it until the end. God be with us all!"
- Remember article submission deadline for the St. Stephen's News Letter is the 25th of each month. You may email submissions to [cstocek@gmail.com](mailto:cstocek@gmail.com).
- St. Stephen's is joining in the effort to provide needed supplies to our local schools. To that effort we are gathering supplies July 30th for a delivery run on the 31st, but we will continue to collect gifted supplies after that. The local schools have made individual, by grade, wish lists. You can select a school and donate what's [on their wish list](#) There is a copy of all the school's wish list in the Foyer.
- The Latest St. Stephen's News Letter was mailed this week, 22 copies sent to parishers' homes. If you want to join in the receiving please sign up on the back.
