

## Book Blessing Launch Party

You and a guest are invited to celebrate with us and to ask God's blessing upon a newly released book,

### This Side of Darkness

by the local author, Lynn Vanderdasson.

This book is a timely and much needed book for everyone in depression who doesn't know how to escape the horrors of this debilitating disease. Since one in three Americans suffer from this, along with anxiety, it is important to reveal the stigma associated with mental illness and the erroneous belief that it is a lack of faith for a Christian to agonize from depression. This book offers much hope and real help for those enduring this pain. Because of her own lifelong depression and hours of research, Lynn has learned how to heal this crippling disorder for life and desires to share it with others.

There will be door prizes, free raffle giveaways, gift cards from Hobby Lobby, Spa Packages and more.

Refreshments will be served.

Saturday, 2 November

1:00 - 2:30 p.m.

Thunder Mountain Church
