- **St. Stephen's office hours** will be in flux on Tues, Wed, Thurs. We expect a shelter-at-home order in the near future. Please call to schedule an appointment before you come. Office phone has messaging capability so that we can get messages 24/7. Rev. Allison can also be reached via home phone: 520-335-2436, or cell: 562-743-3784.
- **St. Stephen's 12 step meetings for NA, and our new Wed evening Christian 12-step meeting will continue at the church; there is also a 0630 AA meeting every day called Surrender is Freedom.** These meetings provide valuable support to our community during these stressful times. We are leaving the decision to meet or not up to each group based on their own needs and concerns. The facility remains available and we are disinfecting with bleach and other cleaners.
- **Mowers for our property are needed** (especially as we get rain and warm weather). Please coordinate with Tim Holsonback for taking a turn.
- **Please let us know if you are unable to get out or need something not stocked in the store.** The church has some toilet paper we can share, for instance. We have volunteers who can bring you items that you might need if you are quarantined or don't feel safe going out.
- **Vestry members and your rector will keep in touch through phone calls and emails** – Please let us know how frequently you would like to be contacted... we want to be here for you but not pester you.
- **Please don't forget the Groceries 4 U program.** We have become a pillar of support for quite a few local people and families. You can designate Groceries 4 U online or mail in a designated contribution. Sierra Vista families thank you.
