

- **Remember we are in Phase II now.** This means we can have up to 25 people at each service. However, we are still observing all safety guidelines, i.e. masks, no singing and keep 6 ft distance. It also means that we won't be using the attendance schedule unless we spike again. So you are free to attend any of our 3 weekly services.
- **Please take your bulletin home,** we are not reusing them during the Covid-19 situation.
- **Rev. Allison is on Family Leave in South Carolina caring for her father who is entering his last days.** She will be away starting Sept 6th, but can be reached via phone, email, text. Sr. Warden Tim Holsonback and Jr. Warden Sherry Simon will coordinate for daily church business. Fr. Donne and Rev. Heather Rose (Vicar of St. Paul's Tombstone) will be available for pastoral emergencies. Rev. Allison appreciates your prayers during this tender time.
- **There will be a new worship schedule starting in September** – The first two weekends/Wednesdays of the month will be communion services. The other weekends in the second half of the month will not be communion services (while Rev. Allison is away on leave of absence in South Carolina). This will allow the people who are scheduled to come alternating weekends to receive communion at least once a month.
 - **Rev. Heather Rose, Vicar of St. Paul's in Tombstone has agreed to celebrate Eucharist on the first 2 Saturday evening services each month.**
 - **Fr. Donne will celebrate Eucharist the first 2 Sunday services each month.** He will also celebrate Eucharist on the first 2 Wednesdays of the month.
 - **The second half of the month will be "pre-communion"** (aka ante-communion) which will follow our usual service liturgy up through the exchange of peace and then conclude with the Lord's Prayer. These services will be led by lay members of our church.
 - **View schedule [here](#)** (you must be signed in for this info.)
