

FAITHFUL & GRATEFUL TOGETHER
ST. STEPHEN'S EPISCOPAL CHURCH
STEWARDSHIP 2021

It has been a harrowing and worrying year for us all. While sickness and disruption of lives raced across the world, we at St. Stephen's learned a lot about ourselves. We prayed, adapted and stood steadfast in resolve to help our Church family members. We know that together we are all ONE with God.

It is time to be grateful for the acts of faith shared with each other, the support and deeper friendships forged during this crisis. God has shown us how to be there for each other. Let us now be there for Him!

Thank you, everyone for being so generous and faithful in your giving and keeping up your pledges throughout these past months when we could not meet. Keep up the good work!

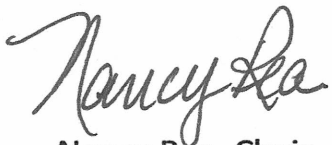

Our gift to you is a "Gratitude Journal" so you have a place to count your daily blessings. TODAY I AM GRATEFUL TO GOD FOR: is the way to begin.

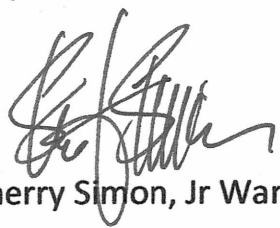

There is no better time to show God that He comes first in our lives. Be grateful for all He has given us. Show Him we too are capable of giving with generosity and love. Give as God gives – happily, freely and graciously.

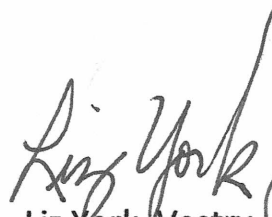

Please be sure to return your 2021 pledge card in the mail, through the website (www.ststephensaz.org) or at Church no later than November 30, 2020, to help us continue to have this special place to express ourselves in worship, service and love for each other.

With love and gratitude,

Your 2021 Stewardship Committee.
