- **Bishop Reddall has asked each church to discuss when to allow latest CDC guidance go into effect in congregations.** Your vestry voted Tuesday May 18th to continue wearing masks in worship for another month to ensure infection rates remain low, out of an abundance of caution for some of our most vulnerable members. Come June 19th, if numbers do not increase, fully vaccinated people will no longer have to wear a mask in church. Unvaccinated people will need to continue to wear masks, however. We encourage you to get your vaccination as soon as possible to be able to enjoy maskless worship soon.
