November 1, 2021

Dear Brothers and Sisters in Christ,

You are the heart beat of our church and the beat goes on.....

There have been many ups and downs continuing from last year. We faced disruption and sickness; but, by the Grace of God and each other, we are still here. The heart of St. Stephen's beats on. Our doors remain open and welcoming to all who enter.

It is time to be grateful for the acts of faith shared with one another, the support and deeper friendships forged during crisis. It is not over yet; but, God has given us the strength to continue forward. He has shown us how to be there for each other. He has sent us new visitors and members throughout the year. Through the Grace of God, "The Beat Goes On" for St. Stephen's Episcopal Church. Now is the time for us to be there for Him.

There is no better time to show God, we too, are capable of giving with generosity and love. Give as God gives... happily, freely and graciously.

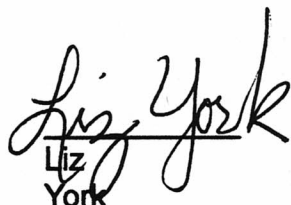

Please be sure to return you 2022 Pledge Card in the mail, through the website ([ststephensaz.org](http://ststephensaz.org)) or at church no later than November 30, 2021. Each one of us can make a difference. Together we can ensure St. Stephen's continues to be a very special place to express ourselves in worship, service and love for one another. "The Beat Goes On", at St. Stephen's.

With love and gratitude.
